

## Moths of the Yellow Land

This year, over 160 species of moth were found at the Yellow Land. Here are just a few of them...

Small Elephant Hawk-Moth

Pale Tussock

Chalk Carpet

Brimstone

Shaded Pug

Peach Blossom

## The Yellow Land Natural Heritage Project

The Yellow Land Natural Heritage Project aims to transform an overgrown, neglected green-space in Bishop's Itchington into a small, accessible community site where local people can enjoy their natural heritage. For more information, including the location of the Yellow Land, visit the web page on the Parish Council website:

*Meet at the Yellow Land unless otherwise indicated...*

### September 2010

*Sunday 12th September*

**Work Party**

Time: 10.30am-12.30pm

Join the Bishop's Itchington Biodiversity Group to help manage the site. Practical work will include meadow cutting, seeding and general tidying. All welcome.

*Sunday 12th September*

**Plant ID Training Course**

Time: 2-3.30pm

Come along and learn to identify the plants of the Yellow Land. This free course is mainly for those interested in helping with the project in the future, but is open to all.

*Saturday 18th September*

**Late Summer Wildlife Walk**

Time: 10.30am-12pm

Join county birder and wildlife expert Jon Bowley to look at the wildlife of the Yellow Land and beyond. Birds, insects and flowers... bring your binoculars!

*Thursday 23rd September*

**Mid-Week Work Party**

Time: 10-12 midday

Join the mid-week volunteers to help look after the Yellow Land. Help as little or as much as you are able.

*Saturday 25th September*

**Nature Photography**

Time: 10am-12pm

Improve your photography skills with expert Richard Pearce.

### October 2010

*Thursday 7th October*

**Mid-Week Work Party**

Time: 10-12 midday

*Friday 8th and Saturday 9th*

**Mammal Mania!**

Time: TBC (Please check October's Scene)

Set mammal traps on Friday evening and then arrive the next morning to see what small mammals live on the old quarry.

*Saturday 16th October*

**OPEN DAY**

**Time: 10.30am-1.30pm @ the Yellow Land**

The finishing touches to the Yellow Land will have been completed by October. Please come to the Open Day celebration, including:

- Country Craft
- Food and drink stalls
- Children's Activities
- Chainsaw chair sculpture
- Children's Bouncy Castle
- Oral History CDs

### November 2010

*Saturday 6th November*

**Fungal Foray**

Time: 10.30am-12pm

Join expert John Roberts to search for mushrooms of all shapes and sizes!

*Thursday 18th November*

**Mid-Week Work Party**

Time: 10-12 midday

Join the mid-week volunteers to help look after the Yellow Land.

### December 2010

*Sunday 5th December*

**Work Party**

Time: 10.30am-12.30pm

Join the Bishop's Itchington Biodiversity Group to help manage the site. Practical work will include scrub cutting and general maintenance of the site. All welcome.
